

ABOUT LINDEN COMANSA Total Production & Quality Systems.

PRODUCTION METHODS:

Huge Transfer machines, CNC lathes and machining centres have replaced traditional machine tools in the LINDEN COMANSA workshops, to give higher productivity and precision in all machining processes.

Welders are duly qualified and LINDEN COMANSA welding systems and installations have been fully approved by the German "SLV" organisation, to the highest standards. Fully automatic "Robot" welding systems are currently being incorporated into the LINDEN COMANSA production lines.

TOTAL QUALITY: ISO 9001

After almost complete re-organisation of internal structures and procedures, in accordance with ISO9001, LINDEN COMANSA has already finalised all external audits, and has been granted ISO 9001 Approval with Registration No. ER-0808/1997. In recognition of the progress made in this field by LINDEN COMANSA, Dragados & Construcciones, the largest civil engineering and construction contractor in Spain, and one of the largest in Europe, recently awarded to LINDEN COMANSA their First Prize for Total Quality. It was the only such prize granted to a machinery supplier.

SYSTEMS:

LINDEN COMANSA control systems are designed by the in-house research and development department and assembled in our own workshops, as practically all the mechanical components and the structure of the cranes. Safety cut-out and warning systems meet all European and American Standards. Switch-gear components used by LINDEN COMANSA include Télémécanique, ASEA, Siemens, Electromatic, etc. Slewing rings are supplied direct by Rothe-Erde.

MARKETS:

Up to present, LINDEN COMANSA has exported to over 40 countries in five continents, including Eastern Europe, Germany, France, UK, Portugal, Switzerland, the United States, Mexico, Venezuela, Colombia, Chile, Argentina, Hong Kong, the P.R.C., Taiwan, Algeria, Kuwait, Saudi- Arabia, Korea, Japan, the U.A.E., Singapore, Malaysia, Indonesia, etc.

EMPLOYEES:

Between research and development, manufacturing, administration, sales and service, LINDEN COMANSA employs approximately 180 people.
